# IRON DOOR FEATURES

## OPERABLE GLASS

Three cam latches open to allow complete access to both sides of the glass providing easy access for security and ventilation. It also makes cleaning the glass quick and easy.

## LUXURIOUS GLASS

Our standard door includes upgraded Flemish Water Cube glass.

## AIR-TIGHT SEAL

Six heavy duty iron latches ensure an air-tight seal between the operating glass panel and door.

## DP 50 RATING

Each door has three sets of oversized heavy-duty hinges for smooth operation and extra strength to meet DP-50 requirements.

## HANDCRAFTED DESIGN

5/8" scrollwork is handcrafted on each door to ensure a beautiful secure look.
